Joanne's Highlight

Linfield Annie's Fancy

Dear Grower,

I only grow the top exhibition varieties. Plants will be rooted in Plantpak 15's, (15 per tray) and will be ready to pot into 5" pots in early January, for collection in Late December/early January.

Last year saw snow in December and the plants made slower growth. Therefore the date of dispatch has to be flexible to suit the weather conditions.

Unfortunately heating costs have risen and so have postage costs. I'm sorry but I have had to increase the cost of both plants and postage.

Postage up to 6 plants £5.00  
 up to 15 plants £8.00  
 36 plants or more £13.00

Price per plant £2.80  
 Collection of 15 Plants = 3 x 5 varieties (my choice) £35  
 Postage included. If there is a variety you particularly want I will try to include it in a collection if I can.

If you can possibly collect your plants you will not only save the cost of postage, the plants will travel better.

Posting carnation plants in plantpack 15's is a difficult and time consuming job. We do all we possibly can to pack them so that they arrive in good condition. I advise you to unpack them carefully and give them a week or two in your own greenhouse to recover before potting on into larger pots. (13cm if possible)

**Plants will not be stopped when dispatched**
